

Evergreen Gift Card

From ...

Dear ...

We would like to present to you the universal and sustainable benefits of our supported program, Planting Hope. Through our joint cooperation, we were able to fulfill the planting of(number of) tree(s).

You have been effective in preserving biodiversity and soil moisture. You helped to overcome poverty and create a source of food and income in local areas. This support can plant hope in the hearts of our fellow human beings and future generations. This is a gift to your qualified company to appreciate your valuable partnership.

Special thanks for your cooperation and participation in all actions.
